

Django Practical Test

Database should have timestamp created_at and updated_at with each model.

Page one :- Sign up Page

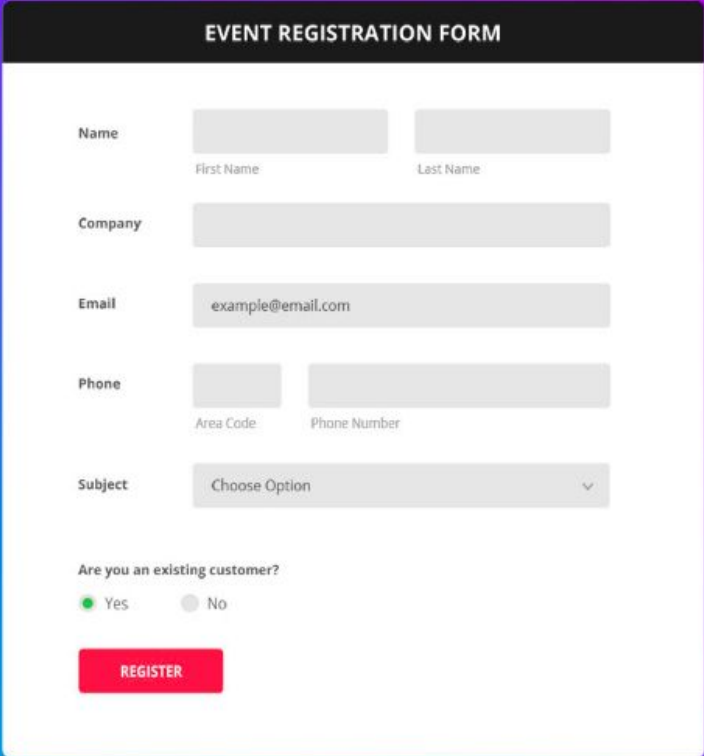

Description :-

Fields :- First_name, Last_name, Email, Company, Phone,

Replace field -

Subject - City of gujarat

Customer - Gender (male - female)

The image shows a web form titled "EVENT REGISTRATION FORM" set against a blue and purple gradient background. The form is white with a black header bar. It contains several input fields: "Name" (split into "First Name" and "Last Name"), "Company", "Email" (with the placeholder "example@email.com"), "Phone" (split into "Area Code" and "Phone Number"), and "Subject" (a dropdown menu with "Choose Option" and a downward arrow). Below these fields is a question "Are you an existing customer?" with radio buttons for "Yes" (selected) and "No". At the bottom is a red "REGISTER" button.

Subject ▾

Are you an existing customer?
☒ Yes ☐ No

REGISTER

Page 2 :- Login

Description :- Signup and forgot password should be available.

Page 3:- Dashboard - (home page)

Description:- Home, Products, company , contact and logout should be available. And whatever you want you can develop the home page.

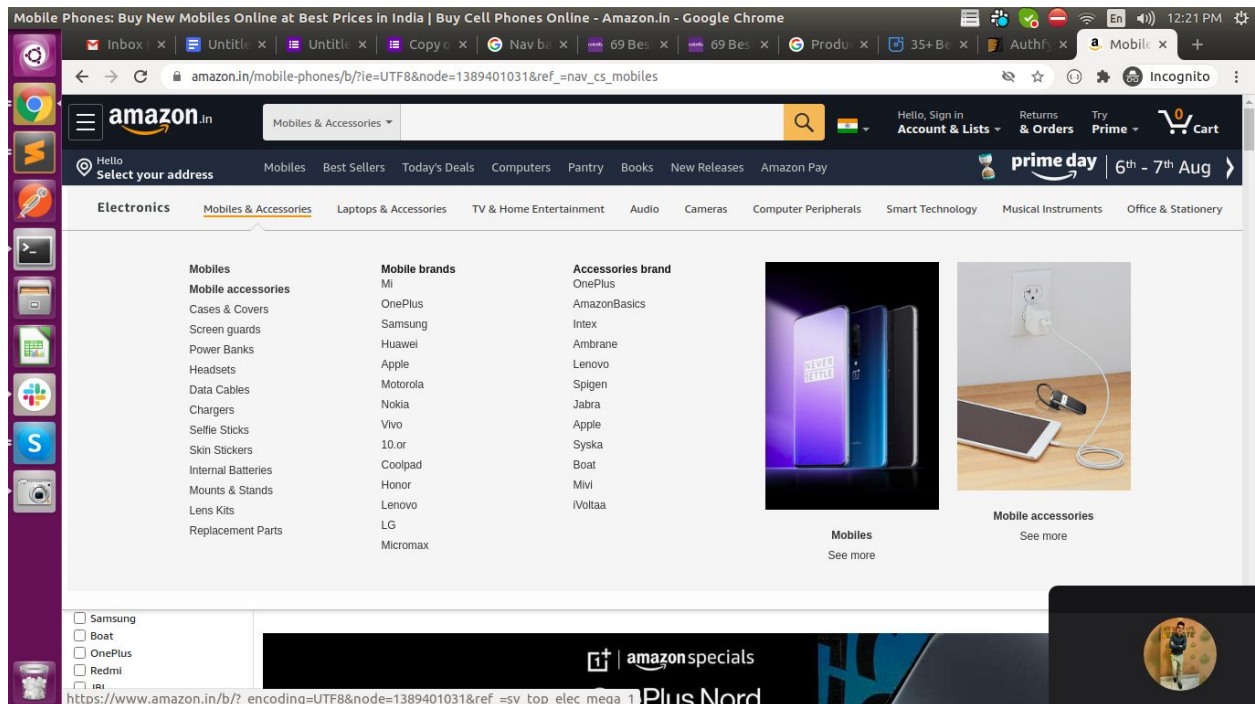

Page 4:- home page List

Description:- Please follow the products as see into dropdown of mobile and accessories - Left first one

- Implement a database model for this. And insert data by admin
- Give permission to add, delete and modify if the user is logged in only for the product.

- Get user from request - `self.request.user`
- User - store in a variable
- Pass user variable in context
- Put if else condition on the template with the add, update and delete.
- `users = User.objects.filter(id=self.request.user.id)`
- `{% for user in users %}`
 - `{% if user %}`
 - `<button>add</button>`
 - `<button>update </button>`
 - `<button>delete</button>`
 - `{% endif %}`
- `{% endfor %}`

If a user clicks on a brand - center of the column - mobile brands - user will get a list of products related to each brand.

Database :-

Accessories :- Name, brand additional field up to you.

Page 5:- Contact us

Description :- name , email and message should be there. Additional field up to you.

The image shows a contact page for Pixpa. At the top, there is a header with the Pixpa logo and the tagline "Portfolio Websites for Creative Pros". Below this is a large hero section with the text "More than just a website" and a list of services: "Build Your Brand", "Get New Business", "Manage Clients", and "Do It Yourself". A "GET STARTED" button is prominently displayed. Below the hero section, there is a "Get in Touch" section with a form containing fields for "Name", "Your email address", and "Message". A "SUBMIT" button is at the bottom of the form. To the right of the form, there is a "Connect with us:" section with contact information for Pixpa USA and Pixpa India, including addresses and a "TOP" button.
